Dear Professor Inan:

I am happy to inform you that the Institute will make available to you the sum of \$7500 to enable you to spend the academic year 1973/74 at Princeton in the study of the ancient sculpture from your excavations in Turkey. Conditions for such research are, I believe, favorable: there are good libraries, interested colleagues and large collections of ancient sculpture within easy reach.

My colleagues and I look forward very much to your coming.

Yours sincerely,
