Dear Ayda Kolaloğlu

This will introduce the great lady Archaeologist, Prof. Dr. Tale Duman about whom we spoke.

She would be a very worthy subject for a documentary for her many years of work at Side, Perge and other sites on the south coast.

Fred Haynes told me to tell you about her as he said there was money available for cultural affairs from the American Turkish Friendship Council.

I do hope you will be interested and will interest others in her history. She will be working in Perge beginning October 15th and is expecting support from the Ministry of Culture.

Yours Truly
Jean Friendly
