Dear Hüseyin,

It is sad to hear of your mother's death. She was so good and strong a person, such a splendid scholar and such a delightful friend, and so courageous in face of her illness. We hadn't met for some time since on my way to Aphrodisias I can now more easily route myself via Izmir than Istanbul; and she has not visited that site for some years I think. But I have many happy memories

of her - and especially in the year
when she came to England to brush
up her English and my mother gave
her lessons - they got on together
wonderfully well.

My warmest sympathies are with
you and your family.

Yours sincerely
