Dear Jalea

As I suspected, I won't be coming to Turkey this Fall, but Jean is coming for a week or so on Mrs. Rubin's yacht, a week in Side and a few days thereafter in Istanbul. She would very much like to borrow the Jeep for her time in Side and wonders whether it could be delivered to her in Fetije on Wednesday, 5 October, when she expects to arrive on the ~~luxury~~ yacht, the Valentina. If so, she will drive back, with your driver, to Antalya and Side, and return it to the Antalya airport a week or so later. Since there is no time for return word from you here before she leaves, could you send her a letter telling her what arrangements you can make to Bodrum, marked hold for arrival, Yat Valentina. She should be there to pick it up on the 27th or 28th of September.

I hope you have on your way to me--or will send it as soon as you can--the report on your work and expenditures of IF of S funds that I asked for in my letter to you of 10 August.

I hope your excavations are splendidly successful in Perge and that your summer has been a happy one, as ours has been. Jean joins me in thanks and best wishes.

As ever,

Alfred
