Dear Feza,

Thank you very much for your letter of December 15. I am looking forward to seeing you soon but we are sorry Suha and Yusuph cannot join you.

As for the dates you propose, would it be possible to shift your stay one week forward? say from January 22 to February 23. This is because the first two weeks in January are devoted to examinations and people are usually very busy.

If it is impossible for you to change these dates we shall spend the first week in private discussions which I plan to have anyhow.

Best wishes to you and à bientôt

Yours sincerely

L.A. Radicati
