Institute for Advanced Study
Princeton, New Jersey

Dear Gürsey:

I am writing to ask your opinion of B. C. Unal at M.E.T.U. in Ankara. He has applied to Caltech for next year, and I should be grateful if you could send your comments on his research capabilities as soon as possible.

How is life in Turkey after all this time? And when will you be free to come here for a year?

Yours sincerely,

Murray Gell-Mann
