

SECOND FOLD

April 24

Dear Feza and Suha:

I just realized that it about a month since we have heard from either of you, although Bob of course did receive the fine invitation from President Kurdas, which we promptly answered.

But, are you all OK? Not hearing from you in so long, and with so much flu around this part of the world, I hope you are all OK.

I still am not quite over my damn bug. They even got a bit worried and gave me tests for all other sorts of troubles, but since everything is negative and says I'm a most healthy gal, they end up coming to the same conclusion: It's the flu and it takes a long time to shake.

Anyway, I'm about, but not as full of zip as usual. But I am certain another few weeks will turn the trick.

As I told you, we plan to leave for London June 1st, so we should get all our business straight before departure. We did get reservations in the Istanbul Hilton for those two single nights, but you never answered me about the Ankara Hotel. Where will be staying and have you reserved the room? I'd like the name before we leave to leave as a mailing address. Also, I assume you are doing the Istanbul hotel when we go together. As to the money, Bob wrote and asked for all of it in \$ here before we leave--for the ticket, also.

Otherwise, there is only one big question--seriously--what things American would you find useful for us to bring along?

In London, by the way, we will be in the Park Lane Hotel. We will go up to Cambridge with the Bachers ~~xx~~ for a day & night visit on the 7th.

Do write soon, so we can plan our lives. All love,

Charlotte
