Re: Herakles Statue

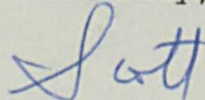

Dear Professor Inan:

During the past several days, I have tried to reach you without success. The purpose of my calls was to find out where I should send the enclosed photographs. Also, I wanted to inquire concerning when we could expect to receive the items Larry requested in his memo to you dated August 6, 1991 (copy enclosed).

Please call me after you receive this package so that we can discuss this.

Best regards.

Sincerely,

Scott T. Tross

- 3) We will review article you have prepared for German text on Levy/White Herakles (including response to Vermuele contentions). (You will send draft to us by fax in a week or so, and we will respond immediately.)
- 4) Witnesses:
 - (a) You will attempt to interview two additional witnesses (Akca and one other) on August 7, 1991 with N. Akyurek and to obtain written statements from them.
